Boarded up!

Too many properties on the Croft Estate are boarded up. Residents suffer from graffiti. Homes are left empty for too long at a time of a housing shortage. Fire damaged properties stand unrepaired. It shouldn't be like this!

Action needed to improve the Croft Estate

Are you fed up with the state of the Croft Estate? Are you annoyed about the number of boarded up homes and graffiti?

Your local Lib Dem Focus team shares your concerns about the Croft Estate.

We want Greg Reed, the Chief Executive of *Places for People*, the owners of the estate, to come to the Croft and see for himself the situation on the ground.

We want him to meet with residents so he can understand the problems of lack of investment.

●Your local Lib Dem Focus Team - Jack Muers and Steve Kelly.

Please sign the petition below asking Greg Reed to visit the Croft and meet local residents.

Thank you,

Jack Muers
